## **Internship Completion Letter**

UAB Maroon Financial  
J. Basanavičiaus. Smetonos str. 16-36,  
Vilnius,  
Republic of Lithuania.

We are glad to inform you that **Mr. Manoranjith Shankar** from **Sri Krishna College of Engineering and Technology (SKCET) Coimbatore**, has successfully completed his internship at **Maroon Exchange** as the **Blockchain Engineer Intern** from **20 MAR 2024 to 10 MAY 2024**.

During his internship, we found him to be impactful to the team. He successfully implemented multi-blockchain supported Non-custodial wallets, proficiently managing various cryptocurrencies including Ethereum, Bitcoin, and Solana, utilizing the Fireblocks SDK. Additionally, he also collaborated with the team in the development of the Maroon Roll-App employing Dimension RDK. His performance reflects his commitment to excellence, and we commend him for his valuable contributions to our team.

We wish him the very best for his future endeavors.

Best Regards,

Brendan Mannion  
CEO
